Hansel and Gretel P. 5

“Hansel, I have a plan to get us out of here. We will go to the river and throw away some of the stones. The witch will find them and think we have gone. Then we can escape.”
Hansel and Gretel went to the river and threw away some of the stones. The witch found them and was very angry. She said, “You little brats, you have tricked me!”

She went to the river and found the stones. She was very angry. She said, “You little brats, you have tricked me!” She went to the river and found the stones. She was very angry. She said, “You little brats, you have tricked me!”
